

CHRISTENSEN, META

1884-August 19, 1916

Mrs. Mettie Christensen, aged 32 years, wife of C.P. Christensen, died on Sunday afternoon at her home southeast of town. The family came here from Michigan five months ago, hoping the climate would benefit Mrs. Christensen who was afflicted with tuberculosis. The dread disease had gained too firm a hold upon her body, and neither climate or medical skill could save her life. She leaves one son besides her husband to mourn her departure. Funeral services were held on Monday from the Methodist church. Rev. W.L. Wade officiating and the body was laid to rest in the Wheatland cemetery.
