

NOBLE, LEROY

September 19, 1912-October 6, 1918

A short funeral service was held by Rev. J.A. McClellan at the McClellan Mortuary Thursday afternoon over the little form of LeRoy Noble, a ward of the Wyoming's Children's Home Society, who died at the Wheatland hospital on Oct. 6th, after a week's illness from pneumonia. The many beautiful floral offerings were nicely arranged by Mr. McClellan. The child was born in Riverside, Calif., Sept. 19, 1912. He was an affectionate child with a sunny disposition and a general favorite with the nurses, who did everything possible for his comfort and happiness.
