

POTTER, HARRY
1898-November 1899

The angel of death entered the house of Mr. and Mrs. Fred Potter last Tuesday morning, and took from them their little son, Harry, aged one year and four months. The little one was sick but a short time, and his death came entirely unexpected. Congestion of the lungs was the cause of his death. The funeral was held from the house Wednesday afternoon, Rev. Stevenson conducting the services.
