

ROTHERMER, LENA

?-1925

Lena Rothermer, daughter of Mr. and Mrs. Bert Rothermer, beet tenders on the Muleshoe ranch, died Tuesday of diptheria, after an illness of only 24 hours.

The little girl was aged two years, nine months and five days at the time of her death. She had come to Wheatland only recently from Brighton, Colo., with her parents. The funeral was held Wednesday afternoon from the Lutheran church and burial took place in the Wheatland cemetery.

Three other children of the Rothermer family are now ill with diptheria, and the disease has entered a number of homes of beet tenders, having apparently been contracted while they were in transit from Colorado.
