

WALN, B. HARRISON
1888-September 13, 1934

With but few knowing his dangerous condition, the news of Harrison Waln's death at 1:30 this morning in the Wheatland hospital came as a decided shock to his many friends.

Arrangements for his funeral were not made until noon today. Plans are now that the services will be conducted on Sunday at two o'clock in the Methodist church. It is also expected that the Masonic lodge will have charge of the services at the grave. Setting the funeral for Sunday will give time for the arrival of James Waln who is hoped to come from California.
