

WOODS, F.H.

?-July 31, 1915

Saturday afternoon a man was found on the railroad track, six miles south of Chugwater, with the back part of his head crushed. He was picked up and carried to Chugwater for attendance but died soon after reaching town. The only thing found identifying him was a letter in his pocket addressed to F.H. Woods. The day before he had been begging meals in Chugwater. It is supposed he was stealing a ride on a train and fell off.
